

# 24HR RPG SPONSORSHIP FORM

Congratulations on securing your place as a player in this years 24 hour RPG event. Your donation, along with the money you raise via sponsorship, will be going to this year charity, Mind.

If your sponsor is willing to sponsor you for **£5 or more**, they can choose to give you a benefit or hinderance from below:

- If they choose 'Friend Sponsorship' they will give your character a usable benny point for the campaign, these points can be used by your character for benefits such as rerolls. Your GM has final discretion on how these can be used.

- They can also choose to sponsor the monsters and adversaries you will face in the campaign. If they choose a 'Foe Sponsorship' they will be able to give the foes in your campaign benny points to use against your character.
